Creating Understanding: A Handbook for Christian Communication Across Cultural Landscapes By Donald K. Smith

This book is built on twenty-three propositions about communication, propositions that, when taken together, encompass fundamental truths about human communication from a Christian perspective. Creating Understanding puts communications media into proper perspective. It makes meaning and understanding the focus of the effort of communication. It is committed to having the purposes of communication determine the means to be employed. This book is a foundation on which the enterprise of Christian ministry can be built or refined. It provides perspective, constantly, on the ways the cultural landscape is informing and affecting the communication process.
