Elementary Algebra By George Woodbury

“Empower your Students for Success”

George Woodbury’s Algebra Series empowers students for future success in college-level math courses through its early-and-often approach to functions and graphing, integrated study strategies, and quality exercise sets that encourage true conceptual understanding.

- The early-and-often approach to functions helps students prepare for future math courses.
 - A **Study Skill Strategy** is introduced in each chapter opener and then expanded upon throughout the chapter in the **Building Your Study Strategy** boxes that appear before each exercise set.
 - Students can further develop their study skills with the **Study Skills Workbook**, written by Alan Bass, to accompany the Woodbury texts.
 - **Vocabulary Exercises** begin each section of exercises and check student understanding of the basic vocabulary presented in the preceding section.
