Homer on Life and Death (Clarendon Press Paperbacks) By Jasper Griffin

This book demonstrates how Homeric poetry manages to confer significance on persons and actions, interpreting the world and the lives of the people who inhabit it. Taking central themes like characterization, death, and the gods, the author argues that current ideas of the limitations of "oral poetry" are unreal, and that Homer embodies a view of the world both unique and profound.

Editorial Review

Review

"Griffin's book provides the intellectual stimuli which are important for my students at the beginning level and which should prove even more thought-provoking for my honors students." -- David J. Bradshaw, *Warren Wilson College*

"A book that anyone who cares about Homer should own...It is clearly one of the best English language studies on the subject"--*The Classical Outlook*

"Griffin has faith in the validity of instinctive responses to the poetry of Homer and demonstrates that an intelligent and sensitive appreciation not only remains possible, but now has become more necessary than ever."--*American Journal of Philology*

About the Author

Jasper Griffin is Professor of Classical Literature, University of Oxford, and Dyson Fellow in Greek Culture.

Users Review

From reader reviews:

Arturo McDaniel:

Now a day folks who Living in the era wherever everything reachable by connect with the internet and the resources included can be true or not call for people to be aware of each information they get.
