If He's Dangerous (Wherlocke Book 4) By Hannah Howell

New York Times bestseller Hannah Howell's extraordinary Wherlocke family returns with the story of a passion that will heed no resistance, no matter how deadly. . .

When Lorelei Sundun first finds Sir Argus Wherlocke in her garden, she's never heard of the mysterious Wherlocke clan--or their otherworldly abilities. That changes the moment she watches Argus--the most tantalizing man she's ever seen--disappear before her very eyes. What she's witnessed should be impossible. But so should falling in love with a man she's only just met. . .

Pursued by a madman intent on harnessing the Wherlockes' talents as weapons, Argus meant to seek help from his family, not to involve a duke's lovely daughter in the struggle. But now, the enchanting Lorelei is his only hope for salvation--and the greatest temptation he's ever faced. . .

Praise for Hannah Howell and If He's Wicked

"Fans will gladly follow Howell from the Scottish Highlands to London for her new trilogy."

--*Publishers Weekly*

"The superbly talented Howell never disappoints." --*Romantic Times*

Editorial Review

Users Review

From reader reviews:

Rosalyn Kendall:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't want do that. You must know how great and important the book If He's Dangerous (Wherlocke Book 4). All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Annette Carroll:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe may update themselves by reading books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with. This If He's Dangerous (Wherlocke Book 4) is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Ronald Smith:

Don't be worry when you are afraid that this book will certainly filled the space in your house, you will get it in e-book approach, more simple and reachable. This particular If He's Dangerous (Wherlocke Book 4) can give you a lot of close friends because by you checking out this one book you have point that they don't and make a person more like an interesting person. This book can be one of a step for you to get success. This reserve offer you information that perhaps your friend doesn't realize, by knowing more than different make you to be great people. So , why hesitate? Let us have If He's Dangerous (Wherlocke Book 4).

Robert Polk:

What is your hobby? Have you heard which question when you got scholars? We believe that that issue was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you know that little person such as reading or as examining become their hobby. You must know that reading is very important in addition to book as to be the matter. Book is important thing to include you knowledge, except your current teacher or lecturer. You get good news or update about something by book. Amount types of books that can you go onto be your object. One of them is actually If He's Dangerous (Wherlocke Book 4).
