Textbook of Psychiatry E-Book By Basant K. Puri, I. H. Treasaden

This is a new edition of a successful introductory textbook on the subject of psychiatry. Clearly written and rich in pedagogic features - such as summary boxes, clinical cases and other aid memoirs - this book is tailored to the learning needs of those entering the discipline for the first time. Particularly suitable for medical students, this book will also act as a 'primer' for post-graduates first entering the speciality with a view to a long-term career in the discipline.

- New edition of a well established text with a strongly pedagogic approach to the subject of psychiatry
- Logical writing style gives ready access to key information
- Includes many illustrations
- Contains practical examples throughout to demonstrate the importance of psychiatry to all areas of medicine
- Ideal for medical students and junior doctors
- Suitable as a 'primer' for specialist trainees entering the discipline for the first time

Enhanced discussion of the use of psychotherapy in line with current practice

Editorial Review

From a student review of the previous edition: "Being a medical student, you can only have a few weeks to study Psychiatry ... Puri's Pocket Essential of Psychiatry is probably the best for the beginner. The text is well structured, and diagnostic criteria for some important diseases, such as schizophrenia and BAD, are provided, while for some less important diseases the text is core and concise. The size is suitable for you to bring to the ward for grand rounds; when the professor is looking at the case notes, you can revise what you learn using this pocket-sized book. It makes your life easier during the Psychiatry module." Users

ReviewFrom reader reviews:

Katherine Anderson:Reading a e-book can be one of a lot of activity that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a book you will get new information because book is one of numerous ways to share the information or even their idea. Second, reading through a book will make an individual more imaginative. When you studying a book especially fiction book the author will bring one to imagine the story how the people do it anything. Third, you may share your knowledge to other folks. When you read this Textbook of Psychiatry E-Book, you are able to tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire the others, make them reading a publication.

Frank Huynh:This Textbook of Psychiatry E-Book is great guide for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great arrange word or we can state no rambling sentences in it. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but difficult core information with beautiful delivering sentences. Having Textbook of Psychiatry E-Book in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen small right but this reserve already do that. So , this is good reading book. Hey there Mr. and Mrs. hectic do you still doubt that?

Aaron Tolleson:Do you like reading a e-book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many problem for the book? But just about any people feel that they enjoy with regard to reading. Some people likes examining, not only science book and also novel and Textbook of Psychiatry E-Book or perhaps others sources were given understanding for you. After you know how the fantastic a book, you feel want to read more and more. Science guide was created for teacher or perhaps students especially. Those publications are helping them to add their knowledge. In different case, beside science guide, any other book likes Textbook of Psychiatry E-Book to make your spare time much more colorful. Many types of book like this.

Bertha Greene:A lot of book has printed but it is different. You can get it by online on social media. You can choose the top book for you, science, witty, novel, or whatever by means of searching from it. It is called of book Textbook of Psychiatry E-Book. You can include your knowledge by it. Without leaving the printed book, it could possibly add your knowledge and make you happier to read. It is most crucial that, you must aware about guide. It can bring you from one destination for a other place.
