The Magical Battle of Britain By Dion Fortune

Immediately following Germany's invasion of Poland, which resulted in Britain's declaration of war, Dion Fortune, founder of one of the world's foremost magical orders — The Society of The Inner Light — initiated a magical programme designed to thwart the expansionsist intentions of the Third Reich.

Now those instruction papers have been released from the archives of her school. Accompanied by a commentary from Gareth Knight, himself a member of Dion Fortune's fraternity, these teachings offer astonishing insights into the workings of a genuine esoteric school and their — until now — hidden yet significant contribution to the Allied war effort.
