Also sprach Zarathustra/Thus Spoke Zarathustra: German/English Bilingual Text (German Edition) By Friedrich Nietzsche

Also sprach Zarathustra: Ein Buch für Alle und Keinen (Thus Spoke Zarathustra: A Book for All and None) is a philosophical novel by Friedrich Nietzsche, composed in four parts between 1883 and 1885. Hard to categorise, the work is a treatise on philosophy, a masterly work of literature, in parts a collection of poetry and in others a parody of and amendment to the Bible. Consisting largely of speeches by the book's hero, prophet Zarathustra, the work's content extends across a mass of styles and subject matter. Nietzsche himself described the work as "the deepest ever written". Due to the complexity of Nietzsche's prose it is at times impossible to translate his ideas accurately. By reading Nietzsche's original text along with Common's classic English translation it is hoped that the reader can better understand this dense work.

Editorial Review

About the Author

Friedrich Nietzsche was a German philosopher and author. Born into a line of Protestant churchman, Nietzsche studied Classical literature and language before becoming a professor at the University of Basel in Switzerland. He became a philosopher after reading Schopenhauer, who suggested that God does not exist, and that life is filled with pain and suffering. Nietzsche's first work of prominence was *The Birth of Tragedy* in 1872, which contained new theories regarding the origins of classical Greek culture. From 1883 to 1885 Nietzsche composed his most famous work, *Thus Spoke Zarathustra*, in which he famously proclaimed that God is dead. He went on to release several more notable works including *Beyond Good and Evil* and *The Genealogy of Morals*, both of which dealt with the origins of moral values. Nietzsche suffered a nervous breakdown in 1889 and passed away in 1900, but not before giving us his most famous quote, *From life's school of war: what does not kill me makes me stronger*.

Users Review

From reader reviews:

Wesley Powell:

The ability that you get from *Also sprach Zarathustra/Thus Spoke Zarathustra: German/English Bilingual Text (German Edition)* will be the more deep you searching the information that hide inside words the more you get thinking about reading it.
