France since 1870: Culture, Society and the Making of the Republic By Charles Sowerwine

Widely praised when it was first published, this new edition has been brought up to the present with new final chapters, and thoroughly revised to take into account the latest research. It now includes maps and more coverage of key topics such as: racial strife, colonial difficulties, the Vichy regime, and the nature of the French extreme right.

Editorial Review

Review

'The second edition retains all the characteristics which made the first edition such a success: a good balance of attention to detail and awareness of the 'bigger picture' throughout; appropriate coverage of recent historiographical developments; and a welcome focus on cultural, including gender, issues.' - Stephen Tyre, University of St. Andrews, UK 'A vivid, detailed and nuanced account of republican France which ranges into areas rarely covered by survey texts. The revisions and additions in this new edition - in particular, Professor Sowerwine's new assessment of the post-Mitterand period - will ensure that, like its predecessor, it is essential reading for all students of modern France.' - Nick Carter, University of New South Wales, Australia 'In my view, Sowerwine's text is by far the best survey of modern French history since 1870 now available. It is particularly strong on French cultural history, while offering a wide and effectively presented picture of a complex and fascinating period.' - John Merriman, Yale University, USA 'Professor Sowerwine gives his readers a superb introduction to modern France. The strengths of this book include exceptionally strong coverage of cultural history and unusually thorough coverage of the contemporary era. The new edition continues such strengths while increasing the treatment of topics such as military history and extending his analysis to the Sarkozy era. This is an impressive achievement.' - Steven C. Hause, Washington University in St Louis, USA 'Thoroughly updated throughout to reflect the latest scholarship and with two entirely new chapters on developments since 1995 up to 2007, this splendid volume is a highly readable tour de force of synthesis, organization, and interpretation. Sowerwine masterfully weaves women's history and cultural history into the narrative of political and economic developments and tackles important contemporary issues such as immigration, parity, the PaCS, France's position on the Iraq War, and its relationship to the European Union. This second edition of France Since 1870 will quickly take its place as the text of reference for undergraduates, graduate students, and practicing historians alike.' - Laura L. Frader, Northeastern University, USA

Users Review

From reader reviews:

Bennett Fox:

Spent a free a chance to be fun activity to perform! A lot of people spent their sparetime with their family, or their own friends. Usually they undertaking activity like watching television, about to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? May be reading a book could be option to fill your free time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try out look for book, may be the e-book untitled France since 1870: Culture, Society and the Making of the Republic can be very good book to read. May be it may be best activity to you.

Kristen Zamora:

Reading can called thoughts hangout, why? Because when you are reading a book mainly book entitled France since 1870: Culture, Society and the Making of the Republic your thoughts will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely will become your mind friends. Imaging every single word written in a book then become one web form conclusion and explanation that maybe you never get prior to. The France since 1870: Culture, Society and the Making of the Republic giving you yet another experience more than blown away your brain but also giving you useful details for your better life within this era. So now let us demonstrate the relaxing pattern the following is your body and mind will probably be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary wasting spare time activity?

Norma Harrell:

Are you kind of occupied person, only have 10 or maybe 15 minute in your time to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you have problem with the book in comparison with can satisfy your short space of time to read it because this time you only find book that need more time to be read. France since 1870: Culture, Society and the Making of the Republic can be your answer given it can be

read by a person who have those short free time problems.

Elaine Harvey:

That reserve can make you to feel relax. This specific book France since 1870: Culture, Society and the Making of the Republic was multi-colored and of course has pictures on there. As we know that book France since 1870: Culture, Society and the Making of the Republic has many kinds or type. Start from kids until adolescents. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore , not at all of book are generally make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading in which.
