

Rooted: Theology for Growing Christians

By J. A. Medders, Brandon D. Smith

Rooted: Theology for Growing Christians By J. A. Medders, Brandon D. Smith

The word "theology," at its most basic definition, means "words about God." We are all theologians since we all talk about God. We all have a theology, and it's either good or bad. Good theology is the system of roots that keeps our tree of faith vibrant and alive. It keeps us grounded, centered, and yet growing. And when we are rooted, we won't remain stagnant.

In *Rooted*, Medders and Smith make theology practical for Christians who want to grow in their faith. *Rooted* covers the most basic and crucial areas of theology: the Trinity, Scripture, redemption in Christ, and eternity. The authors bring the deeper things of God to light, but without the complexities often associated with theological works. Whether you read this book on your own or with a group with friends, you will have a better understanding of theology and why it matters for your life.

Editorial Review

From the Back Cover

"This book is not for readers who want to play theologian for a few hours. As the title implies, it's for Christians who want to grow." - **Russell Moore, President of the Ethics & Religious Liberty Commission**

Rooted is a great primer on the basics of Christian theology--presented in a way that is fresh, accessible, and concise. A great introduction for new believers and a great refresher for those who need to remember why the gospel really is good news." - **Trevin Wax, Managing Editor of The Gospel Project**

"The moment you say or think anything about God, you're doing theology. Satan knows more theology than you, but he hates what he knows. And he hates seeing you forget about yourself to gaze on your God. In *Rooted*, Medders and Smith take us by the hand to show us not just theology's importance, but its beauty. Best of all, you can hear them worshiping as they write. I pray you'll worship as you read." - **Matt Smethurst, Managing Editor of The Gospel Coalition**

About the Author

J. A. Medders (MA, The Southern Baptist Theological Seminary) is the Lead Pastor of Redeemer Church in Tomball, Texas, and is the author of *Gospel Formed: Living a Grace-Addicted, Truth-Filled, Jesus-Exalting Life*. He and his wife Natalie have two kids. To read more from Jeff, visit jamedders.com.

Brandon D. Smith works with the Christian Standard Bible and teaches theology at various schools. He's also the author of *Rooted: Theology for Growing Christians* and *They Spoke of Me: How Jesus Unlocks the Old Testament*, and co-hosts the Word Matters podcast. He holds a BA in Biblical Studies from Dallas Baptist University, an MA in Systematic & Historical Theology from Criswell College, and is pursuing a PhD in Theology at Ridley College in Melbourne, Australia. He lives near Nashville, Tennessee with his wife, Christa, and their two daughters.

Users Review

From reader reviews:

Lindsey Putman:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider when those information which is within the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take *Rooted: Theology for Growing Christians* as the daily resource information.
