The Rage of Achilles By Terence Hawkins

Blood. Guts. Pride. Wrath. The ancient clash of armies outside the walls of Troy is a cornerstone of Western literature. In *The Rage of Achilles*, Terence Hawkins brilliantly reimagines that titanic encounter. His stunningly original telling captures the brutality of the battlefield, the glory and the gore, in language that never relents. Raw and compelling, *The Rage of Achilles* tells the story of Achilles, a monstrous hero, by turns vain and selfish, cruel and noble; of Paris, weak and consumed by lust for his stolen bride; of Agamemnon, driven nearly to insanity by the voices of the gods; and of Trojans and Achaeans, warriors and peasants, caught up in the conflict, their families torn apart by a decade-long war. *The Rage of Achilles* is an exhilarating story that has captured the imaginations of readers for thousands of years restored to immediacy.

Editorial Review

Review

[Hawkins] provides much new insight on the tale . . . and turns something ancient into a new read, worthy of a second viewing. "The Rage of Achilles" is a fine spin on Homer's classical tale, a highly recommended read. --MIDWEST BOOK REVIEW

Hawkins' tale moves with the force of a cyclone. . . . It will be impossible not to be entertained and moved by this rendering of the age old story. --Historical Novels Review, February 2011

This fascinating novel has a really simple concept at its core -- *The Iliad* as rewritten by Quentin Tarantino -----In Chicago Center for Literature and Photography's Year's Best Experimental and Cutting-Edge

"The Rage of Achilles" is that rare thing--a genuinely fresh take on a classic text. Terence Hawkins' modern retelling of "The Iliad" has the paradoxical, invigorating effect of making Homer's epic feel oddly familiar, and of highlighting its deep strangeness at the same time. --Tom Perrotta, author of "Little Children"

In this masterful account by Terence Hawkins, the Trojan War is infused with all the immediacy of a current event. --Richard Selzer, author of "The Doctor Stories"

Not for the faint of heart, Hawkins' novel explores war with all its smells, terrors, and blood. It is the kind of heart-pumping, edge-of-your-seat book that readers long for and diligently seek. --The Historical Novel Review, 11/2/2009

With prose at once elegant and terse, Hawkins helps us taste the bloody fields of Troy, the sea on which those one thousand Achaeans sailed, and the bitter tinge of what it is to be divine and human alike. The fresh breath of modernity used to propagate this account earns "The Rage of Achilles" a seat next to "The Iliad" as both companion and commentary. --Andrew Bowen, *Prick of the Spindle*, 2009

[Hawkins] provides much new insight on the tale...and turns something ancient into a new read, worthy of a second viewing. "The Rage of Achilles" is a fine spin on Homer's classical tale, a highly recommended read. --Small Press Bookwatch, Midwest Book Review, Nov. 2009

From the Back Cover

"THE RAGE OF ACHILLES is that rare thing--a genuinely fresh take on a classic text. Terry Hawkins' modern retelling of THE ILIAD has the paradoxical, invigorating effect of making Homer's epic feel oddly familiar, and of highlighting its deep strangeness at the same time."

TOM PERROTTA, Author of *Election*, *Little Children*, and *The Abstinence Teacher*.

"The outcome of the Trojan War is a matter of history, but in this masterful account by Terence Hawkins it is infused it with all the immediacy of a current event. The action of the story never flags, and is kept at a furious pitch throughout. It is a book that can well be read at a single sitting, then re-read to savor the brilliance of the writing. As Hawkins reinvents the Trojan War, he does so at the limit of what the reader can bear. Blood is perpetually recreated as a brute fact. It has to be shed, for that is its destiny. The battles are depicted in the most graphic and shocking detail in which the bloodshed has an almost sacrificial implication without which it would be not nearly so moving. Read it and see for yourself."

RICHARD SELZER, Author of *Confessions of a Knife* and *The Doctor Stories*.

Users Review

From reader reviews:

Agnes Higa:

What do you think of book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be compelled someone or something that they don't desire do that.
