Alien Mate Eve Langlais

What would you do if an alien materialized in your living room and told you he was your leader?

Plump Diana is ironing her underwear when the hottest blue babe in all of the galaxy appears in her living room. Did she forget to mention he was naked? Abducted, decontaminated, and dressed like a harem girl, she's been chosen to become his mate.

Kor asked his ancestors to find him a biddable, docile mate. Instead they found him Diana--a curvy, argumentative earthling who sets his pulse pounding and his loins on fire. He might be an alien who doesn't understand the meaning of love, but he sure knows what he feels is more than lust.
