Big Boned (Heather Wells Mysteries) By Meg Cabot

Life is reasonably rosy for plus-size ex-pop star turned Assistant Dormitory Director and sometime sleuth Heather Wells. Her freeloading ex-con dad is finally moving out. She still yearns for her hot landlord, Cooper Cartwright, but her relationship with "rebound beau," vigorous vegan math professor Tad Tocco, is more than satisfactory. Best of all, nobody has died lately in "Death Dorm," the aptly nicknamed student residence that Heather assistant-directs. Of course every silver lining ultimately has some black cloud attached. And when the latest murdered corpse to clutter up her jurisdiction turns out to be her exceedingly unlovable boss, Heather finds herself on the shortlist of prime suspects—along with the rabble-rousing boyfriend of her high-strung student assistant and an indecently handsome young campus minister who's been accused of taking liberties with certain girls' choir members.

With fame beckoning her back into show business (as the star of a new kids' show!) it's a really bad time to get wrapped up in another homicide. Plus Tad's been working himself up to ask her a Big Question, which Heather's not sure she has an answer for . . .

Editorial Review

From Publishers Weekly

Cabot's cute third crime fest featuring Heather Wells, teen pop sensation turned 20-something college student (last seen in 2006's *Size 14 Is Not Fat Either*), tackles the recent graduate student union controversy at NYU-like New York College head-on. Heather is paying her tuition by working at the college's Fischer Hall, a residence hall nicknamed Death Dorm after several recent murders. She's also semisecretly dating Tad Tocco, her remedial math prof, while pining for her neighbor and true love, Cooper, a PI who's not happy about Tad but has difficulty expressing his feelings. When Fisher Hall's interim director, Dr. Owen Veatch, is murdered, Sebastian Blumenthal, a Graduate Student Collective protest leader, becomes the prime suspect. A tip that Blumenthal is innocent leads Heather into some tight spots. Thankfully, Tad has coaxed her into working out occasionally, and she's more than able to squirm out of trouble while never losing that perky princess Cabot vibe that keeps fans coming back for more. (Dec.)
