Charming the Prince (Once Upon a Time) By Teresa Medeiros

He never lost a battle until he met the one woman who might succeed in...

Charming the Prince.

Dear Reader,

My enemies know me as Lord Bannor the Bold, Pride of the English and Terror of the French. Never in my life have I backed down from any challenge or betrayed so much as a hint of fear--until the war ended and I found myself a reluctant papa to a dozen unruly children.

Realizing that I couldn't lop their little heads off or throw them in the dungeon, I sent my steward out to find them a mother and me a bride--an attractive, meek, maternal creature too plain to tempt me to get her with child. You can imagine my horror when he returned with Lady Willow of Bedlington, a spirited beauty who made me think of nothing else!

With her cloud of dark curls and the sparkle of passion in her eyes, Willow was everything I'd sworn to resist. I never dreamed she would join forces with those mischievous imps of mine to teach this cynical warrior just how sweet surrender can be.

Bannor the Bold,
Lord of Elsinore

Editorial Review

Amazon.com Review

Romance readers everywhere, celebrate! Bestselling author Teresa Medeiros's new novel, *Charming the Prince*, is here and it's phenomenal! Medeiros's trademark humor and potent love scenes will enchant audiences once again with the introduction of Sir Bannor the Bold, a rough-hewn warrior who battled the French dauntlessly for 14 years. But Bannor's deepest secret is that he is terrified of his 12 (count 'em, 12) motherless children who have run wild for years, tormenting the residents of his keep. At his wit's end, the exhausted lord dispatches his man to find a new wife to manage his brood, hopefully without adding to it. Bannor seeks a woman who is everything his children are not--quiet, biddable, and well-behaved. And preferably "some maternal, bovine creature who will prove to be no temptation to my appetites," he specifies. Instead, he finds himself wed by proxy to Lady Willow Mallory, a slender, raven-haired beauty who has played unpaid and unappreciated nursemaid to her numerous step- and half-siblings for years. From an inauspicious beginning, Bannor and Willow struggle to forge a relationship, first with his estranged offspring and finally with each other. By the time he learns that love isn't a sickness of the heart, Bannor must rescue Willow from the clutches of a covetous admirer. Teresa Medeiros continues her history of successes; you won't be able to put *Charming the Prince* down! --Alison Trinkle

Review

"What joy! The magic that comes from Teresa Medeiros's pen makes you smile with satisfaction, sigh with pleasure and wish *Charming the Prince* never came to an end." -*Romantic Times*

"Ms. Medeiros gives her fans another wonderfully witty and charming tale...purely delightful!" *The Old Book Barn Gazette*

"From the opening page of *Charming the Prince*, the reader knows the fun has just begun...humorous and entertaining. You'll be charmed by *Charming the Prince*." -*Rocky Mountain News*

"Nobody writes humor with more heart or passion with more pleasure. Medeiros is magic!" -*New York Times* bestselling author Christina Dodd

From the Inside Flap
