Sociology of the Arts: Exploring Fine and Popular Forms By Victoria D. Alexander

This is a comprehensive overview of the sociology of art and an authoritative work of scholarship by a leading expert in the field. The international selection of perspectives, empirical research, and case studies makes this book essential for teaching and studying the sociology of art.

- Synthesizes the various theoretical models of art sociology.
- Provides empirical examples of books, films, television shows, dance, and music, as well as exemplars of sociological work on the arts.
- Discusses works from both fine and popular ends of the cultural spectrum.
- Explores how art is created, distributed, received, consumed, and used by people who experience it.

Editorial Review

Review

"In the twenty-five years that I have worked and taught in the field of sociology, this is the first textbook that I can remember enjoying and learning a lot from. Alexander's *Sociology of the Arts* brings to life both cutting-edge research and classic works in the sociology of literature, music, art, and popular culture. Students will discover what fascinating things researchers have learned by studying the arts sociologically. And specialists will know what is happening in the forefront of the field." *Ann Swidler, University of California at Berkeley*

"*Sociology of the Arts* is a most welcome addition to the field. With a high level of sophistication, but without unnecessary jargon, Dr. Alexander clearly lays out the different frameworks of analysis that have emerged in recent years." *Vera Zolberg, New School for Social Research*

"This is an informative and thoughtful text for courses in the sociology of art." *D. Harper, University of Rochester*

From the Back Cover

Sociology of the Arts is a comprehensive overview of the sociology of art and an authoritative work of scholarship by a leading expert in the field. The book synthesizes the various theoretical models of art sociology, and provides empirical examples as well as stimulating exemplars of sociological work on the arts. Case studies of art works are from both ends of the cultural spectrum: fine arts (theatre, dance, symphony, opera) and popular arts (Hollywood movies, pop music, pulp fiction, TV drama, comedy and advertising). These studies, combined with the book's considerable theoretical breadth and insight, explore how art is created, distributed, received, consumed, and used by people who experience it. The book also discusses the newly emerging question of the art object itself, and the meaning of art works.

Sociology of the Arts is a clearly written, well-organized synthesis for students, and a unique contribution to the field. This international selection of perspectives, empirical research, and case studies makes this book essential for teaching and learning the sociology of art, and will be of great interest to scholars.

About the Author

Victoria D. Alexander is Lecturer of Sociology at the University of Surrey. She is the author of *Museums and Money: The Impact of Funding on Exhibitions, Scholarship, and Management* (1996).

Users Review

From reader reviews:

Richard Martinez:

This Sociology of the Arts: Exploring Fine and Popular Forms is great guide for you because the content which can be full of information for you who else always deal with world and possess to make decision

every minute. That book reveal it data accurately using great organize word or we can say no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having Sociology of the Arts: Exploring Fine and Popular Forms in your hand like obtaining the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world in ten or fifteen second right but this guide already do that. So , it is good reading book. Hi Mr. and Mrs. stressful do you still doubt this?

David Nester:

The book untitled Sociology of the Arts: Exploring Fine and Popular Forms contain a lot of information on the item. The writer explains your girlfriend idea with easy technique. The language is very simple to implement all the people, so do not worry, you can easy to read that. The book was written by famous author. The author will bring you in the new period of literary works. You can read this book because you can read on your smart phone, or device, so you can read the book inside anywhere and anytime. In a situation you wish to purchase the e-book, you can available their official web-site along with order it. Have a nice examine.

Alberto Redden:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book has been rare? Why so many question for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but also novel and Sociology of the Arts: Exploring Fine and Popular Forms or maybe others sources were given know-how for you. After you know how the truly amazing a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those ebooks are helping them to put their knowledge. In different case, beside science book, any other book likes Sociology of the Arts: Exploring Fine and Popular Forms to make your spare time a lot more colorful. Many types of book like this.

Eddie Drennan:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Sociology of the Arts: Exploring Fine and Popular Forms can make you feel more interested to read.
