Sticky Church (Leadership Network Innovation Series) By Larry Osborne

In *Sticky Church*, author and pastor Larry Osborne makes the case that closing the back door of your church is even more important than opening the front door wider. He offers a time-tested strategy for doing so: sermon-based small groups that dig deeper into the weekend message and tightly velcro members to the ministry. It's a strategy that enabled Osborne's congregation to grow from a handful of people to one of the larger churches in the nation?without any marketing or special programming. *Sticky Church* tells the inspiring story of North Coast Church's phenomenal growth and offers practical tips for launching your own sermon-based small group ministry. Topics include: Why stickiness is so important Why most of our discipleship models don't work very well Why small groups always make a church more honest and transparent What makes groups grow deeper and stickier over time *Sticky Church* is an ideal book for church leaders who want to start or retool their small group ministry?and velcro their congregation to the Bible and each other
