Susie's Shoesies...Where Dreams Take Flight! (Volume 6) By Sue Madway Levine Ed.D.

While Susie is beginning to search for a college that will prepare her for a future in aviation, she reads about a puzzling find in the Pacific Ocean related to the mysterious disappearance of one of her heroes. She and her brother begin a quest for answers that leads to one of the most unusual adventures of their lives, very far from home. Amidst the noisy, bustling, crowded city they visit, Susie has a chance to change the course of history and protect her role model, if she chooses to do so. As difficult as this journey is, when she and her brother make it back home, one of life's most mystifying events is unfolding and the entire Gardner family must face the unknown with a "brave" heart.
