The feminine mystique By Betty Friedan

Landmark, groundbreaking, classic — these adjectives barely describe the earthshaking and long-lasting effects of Betty Friedan's *The Feminine Mystique*. This is the book that defined "the problem that has no name," that launched the Second Wave of the feminist movement, and has been awakening women and men with its insights into social relations, which still remain fresh, ever since. A new introduction by the bestselling author Anna Quindlen traces the book in her own story and how it was prescient on consumer culture as well as domestic issues. "Betty Friedan has been and remains a bridge between conservative and radical elements in feminism, an ardent advocate of harmony and human values." — Marilyn French, *Esquire* "One of those rare books we are endowed with only once in several decades, a volume that launched a major social movement ... Betty Friedan is a liberator of women and men." — Amitai Etzioni, author of *The Spirit of Community: The Reinvention of American Society*

Editorial Review

Review

“Lively, astute, and ferocious. . . . *The Feminine Mystique* should be required reading for anyone who cares about women.” (Rachel Shteir - Chronicle of Higher Education)

“Brilliant. . . . [Friedan] succeeded where no other feminist writer had. She touched the lives of ordinary readers.” (Louis Menand - The New Yorker)

“If you want to understand the passion that helped fire up the modern women’s movement, there may be no better place to start than with *The Feminine Mystique*.” (Lynn Neary - NPR)

From the Publisher

First published in 1963, *The Feminine Mystique* ignited a revolution that profoundly changed our culture, our consciousness, and our lives. Today it newly penetrates to the heart of issues determining our lives -- and sounds a call to arms against the very real dangers of a new feminine mystique in the economic and political turbulence of the 1990s.

Three decades later, the underlying issues raised by Betty Friedan strike at the core of the problems women still face at home and in the marketplace. As women continue to struggle for equality, to keep their hard-won gains, to find fulfillment in their careers, marriage and family, *The Feminine Mystique* remains the seminal consciousness-raising work of our times.

From the Inside Flap

First published in 1963, *The Feminine Mystique* ignited a revolution that profoundly changed our culture, our consciousness, and our lives. Today it newly penetrates to the heart of issues determining our lives -- and sounds a call to arms against the very real dangers of a new feminine mystique in the economic and political turbulence of the 1990s.

Three decades later, the underlying issues raised by Betty Friedan strike at the core of the problems women still face at home and in the marketplace. As women continue to struggle for equality, to keep their hard-won gains, to find fulfillment in their careers, marriage and family, *The Feminine Mystique* remains the seminal consciousness-raising work of our times.

Users Review

From reader reviews:

Alan Dougherty:
