Anne Frank: The Diary of a Young Girl By Anne Frank

Anne Frank's *The Diary of a Young Girl* is among the most enduring documents of the twentieth century. Since its publication in 1947, Anne Frank's story has become familiar to millions all over the world, and remains a beloved and deeply admired testament to the indestructible nature of the human spirit.

Anne Frank: The Diary of a Young Girl

The Definitive Edition

Included in this Definitive Edition are diary entries previously omitted from the original, passages which reinforce the fact that Anne was first and foremost a teenage girl, not a remote and flawless symbol. She fretted over her emerging sexuality; often found herself in disagreement with the adults around her; and veered between the carefree nature of a child and the full-fledged sorrow of an adult living under extraordinary conditions and unbearable strain. Anne emerges more triumphantly and heart-breakingly human, more vulnerable, and more vital than ever.

Anne Frank and her family hid in the back of an Amsterdam warehouse for two years in an effort to escape the horrors of Nazi occupation. Only thirteen when her family went into the Secret Annex, she reveals her daily life as the world around them succumbed to the worst horror the modern world had seen, facing hunger, the threat of discovery and death, estrangement from the outside world, and above all, the boredom, the petty misunderstandings, and the frustrations of living in such confined quarters.

A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer, and acclaimed actress Winona Ryder brings this unforgettable young woman to life in a stunning performance for listeners of all ages to cherish.

Editorial Review

Amazon.com Review

A beloved classic since its initial publication in 1947, this vivid, insightful journal is a fitting memorial to the gifted Jewish teenager who died at Bergen-Belsen, Germany, in 1945. Born in 1929, Anne Frank received a blank diary on her 13th birthday, just weeks before she and her family went into hiding in Nazi-occupied Amsterdam. Her marvelously detailed, engagingly personal entries chronicle 25 trying months of claustrophobic, quarrelsome intimacy with her parents, sister, a second family, and a middle-aged dentist who has little tolerance for Anne's vivacity. The diary's universal appeal stems from its riveting blend of the grubby particulars of life during wartime (scant, bad food; shabby, outgrown clothes that can't be replaced; constant fear of discovery) and candid discussion of emotions familiar to every adolescent (everyone criticizes me, no one sees my real nature, when will I be loved?). Yet Frank was no ordinary teen: the later entries reveal a sense of compassion and a spiritual depth remarkable in a girl barely 15. Her death epitomizes the madness of the Holocaust, but for the millions who meet Anne through her diary, it is also a very individual loss. --*Wendy Smith*

From Publishers Weekly

This startling new edition of Dutch Jewish teenager Anne Frank's classic diary?written in an Amsterdam warehouse, where for two years she hid from the Nazis with her family and friends?contains approximately 30% more material than the original 1947 edition. It completely revises our understanding of one of the most moving and eloquent documents of the Holocaust. The Anne we meet here is much more sarcastic, rebellious and vulnerable than the sensitive diarist beloved by millions. She rages at her mother, Edith, smolders with jealous resentment toward her sister, Margot, and unleashes acid comments at her roommates. Expanded entries provide a fuller picture of the tensions and quarrels among the eight people in hiding. Anne, who died in the Bergen-Belsen concentration camp in March 1945, three months before her 16th birthday, candidly discusses her awakening sexuality in entries that were omitted from the 1947 edition by her father, Otto, the only one of the eight to survive the death camps. He died in 1980. This crisp, stunning translation provides an unvarnished picture of life in the "secret annex." In the end, Anne's teen angst pales beside her profound insights, her self-discovery and her unbroken faith in good triumphing over evil. Photos not seen by PW. From Library Journal

This new translation of Frank's famous diary includes material about her emerging sexuality and her relationship with her mother that was originally excised by Frank's father, the only family member to survive the Holocaust.
