Editorial Review

Amazon.com Review

Picking up where the extraordinarily interesting I, Claudius ends, *Claudius the God* tells the tale of Claudius' 13-year reign as Emperor of Rome. Naturally, it ends when Claudius is murdered--believe me, it's not giving anything away to say this; the surprise is when someone doesn't get poisoned. While Claudius spends most of his time before becoming emperor tending to his books and his writings and trying to stay out of the general line of corruption and killings, his life on the throne puts him into the center of the political maelstrom.

From the Inside Flap

Robert Graves begins anew the tumultuous life of the Roman who became emperor in spite of himself. Captures the vitality, splendor, and decadence of the Roman world at the point of its decline.

Users Review

From reader reviews:

Margaret Williams:

What do you concentrate on book? It is just for students because they're still students or the idea for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book Claudius the God: And His Wife Messalina. All type of book are you able to see on many resources.
