Gulliver's Travels (Norton Critical Editions) By Jonathan Swift

This new edition of Swift's satiric classic is based on the 1726 text?the edition textual scholars now consider the most authoritative.

It is accompanied by detailed explanatory annotations.

"Contexts" collects materials that influenced Swift's writing of the novel, as well as documents that suggest its initial reception, including Swift's correspondence, Alexander Pope's poems on *Gulliver's Travels*, and relevant passages from *Gargantua and Pantagruel*.

"Criticism" includes fourteen assessments of *Gulliver's Travels* by the Earl of Orrery, Sir Walter Scott, Pat Rogers, Michael McKen, J.A. Downie, J. Paul Hunter, Laura Brown, Douglas Lane Patey, Dennis Todd, Richard H. Rodino, Irvin Ehrenpreis, Janine Barchas, Claude Rawson, and Howard D. Weinbrot.

A Chronology and a Selected Bibliography are included.

Editorial Review

Review

One of the masterpieces of satire among the world's literature. . . . --Masterpieces of World Literature

A multifarious book, it is various in its appeal: it is enchantingly playful and fantastic and is often read by children; it is a witty, allegorical depiction of the political life and values of Swift's time; it is a bitter denunciation of mankind; finally it is Swift's reflections on man's corruption of his highest attribute, reason. -The Reader's Encyclopedia

From the Inside Flap

Considered one of English literature's first and greatest satirists, Jonathan Swift possessed a timeless genius for pointing out the foibles of human nature that still has the power to provoke, amuse, and, at times, even outrage

our modern sensibilities. This representative collection of Swift's major writings includes the complete "Gulliver's Travels as well as "A Tale of a Tub," "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his Journal to Stella. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.

From the Back Cover

Regarded as the preeminent prose satirist in the English language, Jonathan Swift (1667–1745) intended this masterpiece, as he once wrote Alexander Pope, to "vex the world rather than divert it." Savagely ironic, it portrays man as foolish at best, and at worst, not much more than an ape.

The direct and unadorned narrative describes four remarkable journeys of ship's surgeon Lemuel Gulliver, among them, one to the land of Lilliput, where six-inch-high inhabitants bicker over trivialities; and another to Brobdingnag, a land where giants reduce man to insignificance.

Written with disarming simplicity and careful attention to detail, this classic is diverse in its appeal: for children, it remains an enchanting fantasy. For adults, it is a witty parody of political life in Swift's time and a scathing send-up of manners and morals in 18th-century England.

Users Review

From reader reviews:

Charles Dame:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to know everything in the world.
