Home with God: In a Life That Never Ends By Neale Donald Walsch

An uplifting masterwork of comfort and compassion exploring the ultimate questions of existence and transcendence.

Nothing has riveted humanity's interest more -- nor has anything been more frightening or awe-inspiring -- than the experience known as death. In *Home with God*, the final installment of his bestselling *Conversations with God* series, Neale Donald Walsch asks the questions that everyone has longed to ask and receives the answers readers have all been waiting for.

Through his profound and personal dialogue with God, Walsch explores the process by which all human beings must end their days here on Earth and begin their new life in God's Kingdom, to which all eventually return, regardless of their earthly deeds. This astonishing spiritual work offers hope, comfort, and surprising revelations for all humankind.

Everybody is doing everything for themselves. . . . When you

understand that this is true even about dying,

you will never fear dying again.

1

It is impossible to live or to die without God, but it is not impossible to think that you are.

If you think that you are living or dying without God, you will experience that you are.

You may have this experience as long as you wish. You may end this experience whenever you choose.

I believe those are holy words. I believe they came directly from God.

Those words have been floating around in my mind for the past four years. I see now that they were my invitation. An invitation from God for a larger conversation.

You're right. I wanted to make sure that we had this larger conversation, and so I placed those words in your mind every time you thought seriously about life or death, even for a moment. This is a conversation you've been reluctant to have, and have put off repeatedly.

Yes, I know. It's not that I'm afraid to talk deeply about life, or even about death, it's just that these are very complex subjects and I wanted to make sure I was really prepared to enter into a huge conversation about them. I wanted to be psychologically and, well, I guess, spiritually ready.

Do you feel that you are now?

I hope so. I can't keep putting off this conversation forever. Even if I tried, you'd just keep placing those words into my head.

That's right, I would. Because those are the words I want you to hear even if you never get to the rest of the conversation.

Okay, I've heard them.

I want you to hear them over and over again.

It is impossible to live or to die without God, but it is not impossible to think that you are.

If you think that you are living or dying without God, you will experience that you are.

You may have this experience as long as you wish. You may end this experience whenever you choose.

Those words convey all that anyone who is afraid of living or dying will ever need to know.

Then we can end the conversation right here.

We can. How deep do you wish to go in your higher understandings? Should you choose to continue with this conversation, I will present you with 100 more words -- a 100 Word Formula for All of Life.

Well, there's a tease.

**That's
exactly what
it was meant**

to be.

And it
worked. I'm
not about to
cut the
conversation
short now. So
here I am
having a
conversation
with God
about living
and dying.
Again.

**Yes, but
looking at
many things
that we have
never
discussed
before.**

Who would
believe this .
..

**It doesn't
matter.
You're not
having the
conversatio
n for anyone
else, you're
having it for
yourself.**

I have to
keep
reminding
myself of
that.

**So often
people see
themselves
as doing**

**something
for someone
else when
they're
really doing
it for
themselves.**

Everybody is
doing
everything
for
themselves.
When you
awaken to
this
awareness,
you will
have reached
Breakthrough.
And when
you
understand
that this is
true even
about dying,
you will
never fear
dying again.
And when
you no
longer fear
dying, you
will no
longer fear
living. You
will live
your life
fully, right
up until the
very last
moment.

Hold it. Wait
a minute.
You're
saying that
when I'm
dying, I am
doing it for

myself?

**Of course.
Who else
would you
be doing it
for?**
