The Great Omission: Reclaiming Jesus' Essential Teachings on Discipleship (Spanish Edition) By Dallas Willard

'The word disciple occurs 269 times in the New Testament,' writes Willard. 'Christian is found three times and was first introduced to refer precisely to disciples of Jesus... The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ.' Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity--being active disciples of Jesus Christ.
