The World's Major Languages From Oxford University Press

From English, French, Spanish and Russian to Pashto, Tagalog, and Swahili, this is the first comprehensive reference work to provide detailed information about the world's forty major languages. Written by acknowledged specialists in the field, the volume begins with a general introduction to language and language families, followed by language-family sections that provide an informative essay about that language, and individual chapters that discuss the history, distribution, syntax, grammar and punctuation, writing and spelling systems, standards of usage, and other important aspects of each language.

Editorial Review

Review

"A magnificent piece of scholarship and editorial assembling, at--considering what books cost today--a surprisingly low price."--R.M.R. Hall, *Queens College, CUNY*

"This is the most thorough survey of languages and language families that I have seen which is suitable for undergraduate courses. The scholarship offers models to emulate while the selection of language groups and contributors can only serve to broaden multi-cultural awareness in students."--Patricia S. Burton, *Northeast Missouri State University*

"The best extant survey on the subject. It would be an excellent text for a course on world languages, or even one in general linguistics."--William E. McMahon, *University of Akron*

"The amount and quality of historical, sociological, and linguistic information presented in typical chapters dealing with a given language are amazing. Most chapters also include extensive descriptions of the phonological and graphic systems, morphology, word-formation, syntactic patterns, and characteristic features of the lexicon. For inflected languages, detailed and synoptic charts of major declension and conjugation classes are provided....This unique work is an important and reliable source of extensive knowledge about particular languages and their families."--*American Reference Books Annual*

"This impressive volume supersedes similar ones...in its treatment of families of languages and individual idioms."--*Language Problems and Language Planning*

"An excellent survey....The volume is recommended as a standard reference for all institutional libraries and for general readers."--*Choice*

"A treasury of authoritative yet concise information about major languages and language families."--*Library Journal*

"A substantial resource on modern languages....Recommended for all academic and large public libraries."--*The Reference Book Review*

About the Author

From reader reviews:

David Pimentel:

Here thing why this specific The World's Major Languages are different and trustworthy to be yours. First of all examining a book is good nevertheless it depends in the content than it which is the content is as delightful as food or not. The World's Major Languages giving you information deeper and different ways, you can find any reserve out there but there is no guide that similar with The World's Major Languages. It gives you thrill examining journey, its open up your personal eyes about the thing this happened in the world which is possibly can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of The World's Major Languages in e-book can be your alternative.

Pauline Bardwell:

People live in this new day of lifestyle always aim to and must have the time or they will get great deal of stress from both day to day life and work. So , whenever we ask do people have free time, we will say absolutely yes. People is human not just a robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer will certainly unlimited right. Then do you try this one, reading ebooks. It can be your alternative with spending your spare time, typically the book you have read is actually The World's Major Languages.

Margie Rodriguez:

Are you kind of hectic person, only have 10 or maybe 15 minute in your day time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short period of time to read it because all this time you only find reserve that need more time to be examine. The World's Major Languages can be your answer as it can be read by you actually who have those short extra time problems.

Dena Ramirez:

A lot of guide has printed but it differs. You can get it by net on social media. You can choose the most effective book for you, science, comedian, novel, or whatever by simply searching from it. It is named of book The World's Major Languages. You'll be able to your knowledge by it. Without leaving the printed book, it might add your knowledge and make anyone happier to read. It is most significant that, you must aware about e-book. It can bring you from one place to other place.
