Amazon.com Review

Lovely Emma Grenville is the headmistress of Miss Grenville's Academy, a contented spinster, and firmly on the shelf--or so she believes until Greydon Brakenridge, the Duke of Wycliffe, arrives in west Hampshire and threatens to raise her rent and close down her school. He's handsome, intelligent, and thoroughly exasperating, for he believes the academy is nothing more than a "marriage factory" to train young girls to become simpering, clinging ninnies without an original thought in their heads. Greydon is determined to seduce the lovely Miss Grenville, and Emma, although powerfully attracted to the Duke, is just as determined to teach him a lesson about the intelligence of women. Before Emma and her students are done with Greydon Brakenridge, he will have an entirely new respect for educated women. And before Greydon is done with Emma, he will have stirred up a scandal that even his powerful position may not be able to resolve.

A Matter of Scandal is a delightful Regency romp, sprinkled with charming secondary characters both hilarious and endearing, and with a hero and heroine whose romantic escapades and witty dialogue add up to an excellent tale that will please readers everywhere. --Lois Faye Dyer

From the Back Cover

Miss Emma Grenville has had her fill of pig-headed noblemen who believe women exist solely to satisfy men. And her arrogant new landlord, the Duke of Wycliffe, is the worst of the lot! The too-attractive cad wants to triple the rent on Emma's finishing school for young ladies to help get his newly inherited estate out of debt. Well, he clearly needs educating—about women. And Emma is just the one to enlighten him.

The sinfully handsome duke has never met a woman he couldn't seduce and outwit. And now that he's tricked Emma into a wager, he has the stubborn headmistress right where he wants her. But the confirmed bachelor underestimates the quick-witted and surprisingly sensual Miss Grenville. For she may be leading him to a place neither dreams they'll ever go—to the altar.

About the Author

A native and current resident of Southern California, Suzanne Enoch loves movies almost as much as she loves books. She once appeared on an *E!* special, *Star Wars Is Back*, as an expert on the romance in the *Star Wars* movies. Other highlights include winning her third grade spelling bee, receiving an *E.T.* poster and T-shirt in an alien-inspired poetry contest, and submitting a script for *The A-Team* (which was not why the series was cancelled). When she is not busily working on her next novel, Suzanne likes to contemplate interesting phenomena, like how the three guppies in her aquarium became 161 guppies in five months.
