A performer broadens her artistic horizons

Mia knows what she wants in life—she was born to perform, and she doesn't need anyone's help to succeed. So when she is paired with the obnoxious new guy for her final music assessment, she is beyond frustrated. Rob is into hip-hop in a big way and they have absolutely zero in common. But as they spend more time together, Mia starts to realize that there's more to hip-hop than she'd thought. And that Rob could just be the guy she never knew she was looking for.
