Biting the Bullet (Jaz Parks) By Jennifer Rardin

I'm Lucille Robinson (aka Jaz Parks).

This is a mission unlike anything my vampire boss, Vayl, and I have ever been on. It's not our usual take-them-out-and-run; it's an undercover mission that needs the whole gang: a psychic, an interpreter, and a weapons specialist.

We've never gone in with such heavy artillery before, but the more the merrier, right? Um...nope. At least not since Vayl and I learned part of our job is to ferret out a mole concealed in our unit.

To add to our problems, we're being harried by a pack of reavers bent on revenge, and targeted by a Seer who wants to share Vayl's power - at any cost. This is going to be a blast.
