Editorial Review

From Library Journal

This book of liturgical texts for American Presbyterians revises and replaces The Worshipbook (1970) as well as Book of Common Worship (1906, 1932, 1946). It is a wonderful resource, providing a wide variety of options for services on the Lord's Day with word and optional sacrament (Holy Communion). It gives seasonal and special day liturgies; forms for baptism and reaffirmation of the baptismal covenant; a psalter (127 of the biblical psalms); special prayers for various occasions; and both a Sunday/festival and a daily lectionary as well as a liturgical calendar. It uses inclusive language not only for people but also for God, making this a book other Christian bodies will want to study carefully and emulate. Essential for seminary and large academic libraries but highly recommended for all libraries.
