By Reason of Insanity By Randy Singer

After a series of kidnappings and murders in Virginia Beach, newspaper reporter Catherine O'Rourke experiences disturbing dreams that detail each crime. In an effort to aid the investigation, she shares them with her confidential source—a detective working on the case. Catherine's intimate knowledge of the crimes immediately makes her a prime suspect. When scientific evidence corroborates her guilt, she's arrested and charged with murder. As she begins to doubt her own innocence, Catherine turns to Las Vegas lawyer Quinn Newberg, a high-priced specialist in the insanity defense. Quinn believes in justice, Vegas-style. But he doesn't believe in the supernatural, or that Catherine's dreams are anything other than the result of a fractured personality disorder. *Who can understand the human mind?* Quinn knows that insanity cases are unpredictable, but nothing had prepared him for *this!* To win, or even survive, Quinn will need more than his famed legal maneuvering and biting skepticism. On this case, he needs a miracle.

Editorial Review

From Publishers Weekly

Inspirational suspense novelist Singer (*Directed Verdict*) hooks readers from the opening courtroom scene of this tasty thriller, then spurs them through a fast trot across a storyline that just keeps delivering. Catherine O'Rourke is a seasoned reporter who covers trials for Norfolk, Virginia's *The Tidewater Times*. The latest sexual abuse case she covers hits a little too close to home, and she has a series of disturbing "visions" that suggest first-hand details of the crimes. Soon she finds herself on trial as the "Avenger," a Bible-quoting serial killer. Are her visions spiritual? Or does she have a split personality? She's unsure of her innocence or guilt-and so are her lawyers, including the likeable high-rolling Vegas attorney, Quinn Newberg, who is famous for his insanity defenses. Singer tosses out plot twists with abandon, shattering readers' assumptions but rarely straining their credulity. The characters' lives unpeel like onions, with layers of interesting revelations. Christian faith plays a role in the "visions" but never feels forced. Smooth point of view changes, snappy dialogue, interesting details and unexpected humor enrich the storyline. Like the best suspense novels, the character development is sophisticated enough that readers won't know the villain's identity until the final pages.

How did crime reporter Catherine "Cat" O'Rourke wind up in prison? It starts with "visions" involving victims of a high-profile kidnapping, twin children adopted by the family of a well-connected defense attorney. In her first vision, Cat sees the children being executed. Nightmares? Maybe, but why do they occur when Cat is awake? She seems to know so much information about the missing children (and other grisly crimes) that she becomes the key suspect. Could Cat possibly have an alter ego committing these heinous acts? Enter defense attorney Quinn Newberg, who recently invoked the insanity defense to get his own sister acquitted for murder. Quinn decides this will be Cat's defense as well, even though the evidence suggests otherwise. At the center of the heart-pounding action are the moral dilemmas that have become Singer's stock-in-trade. In addition to scrutinizing the insanity defense from an ethical point of view, Singer offers similar appraisals of the death penalty and vigilante justice. This is inspirational fiction, but it isn't didactic or preachy, and it's an exciting thriller all on its own. --Mary Frances Wilkens

Users Review

From reader reviews:

Jay Burke:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each publication has different aim or maybe goal; it means that reserve has different type. Some people really feel enjoy to spend their a chance to read a book. They are really reading whatever they acquire because their hobby is actually reading a book. What about the person who don't like looking at a book? Sometime, man feel need book if they found difficult problem as well as exercise. Well, probably you'll have this By Reason of Insanity.

Beth Ritchey:

Information is provisions for folks to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is inside former life are challenging be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you find the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take By Reason of Insanity as the daily resource information.

Sara Matthews:

Reading a book to be new life style in this year; every people loves to examine a book. When you examine a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, as well as soon. The By Reason of Insanity provide you with a new experience in reading through a book.

Michael Marchant:

In this time globalization it is important to someone to obtain information. The information will make

someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher which print many kinds of book. Often the book that recommended to you personally is By Reason of Insanity this publication consist a lot of the information on the condition of this world now. This book was represented how can the world has grown up. The dialect styles that writer require to explain it is easy to understand. The particular writer made some research when he makes this book. That's why this book suited all of you.
