## Critique, Norm, and Utopia: A Study of the Foundations of Critical Theory By Seyla Benhabib

Displaying an impressive command of complex materials, Seyla Benhabib reconstructs the history of theories from a systematic point of view and examines the origins and transformations of the concept of critique from the works of Hegel to Habermas. Through investigating the model of the philosophy of the subject, she pursues the question of how Hegel's critiques might be useful for reformulating the foundations of critical social theory.
