Editorial Review

About the Author

Rebecca A. Ottesen first learned SAS as a student at California Polytechnic State University, San Luis Obispo, where she now teaches for the Statistics Department. As a Biostatistician for the City of Hope, Rebecca uses every opportunity to incorporate her research and programming experience into the coursework for her Cal Poly students.

Lora D. Delwiche enjoys teaching people about SAS software and likes solving challenging problems using SAS. She has spent most of her career at the University of California, Davis, using SAS in support of teaching and research.

Susan J. Slaughter discovered SAS software in graduate school at North Carolina State University. Since then, she has used SAS in a variety of business and academic settings managing large databases, teaching SAS software classes, and helping other SAS programmers. She now works as a consultant through her company, Avocet Solutions.

Users Review

From reader reviews:

Catherine Walters:

This book untitled Exercises and Projects for The Little SAS Book, Fifth Edition to be one of several books in which best seller in this year, that's because when you read this book you can get a lot of benefit onto it.
