**Henry Potty and the Pet Rock: An Unauthorized Harry Potter Parody** By Valerie Estelle Frankel

All is not well at Chickenfeet Academy. Lord Revolting, murderous goldfish-flusher and creator of the mega-wedgie, seeks ingredients to take over the world, including Really Wimpy's pet rock! Henry Potty and his best buddies set out to rescue it, unaware the least likely character in the book has enticed it away for her own sneaky agenda. Henry struggles through Hobology and Extremely Dry History, preps for America's Funniest Fairygodchildren, and tries to avoid laundering Professor Snort's dreaded hankies, or worse, watching A History of Cabbages in Polish. All the while, he has his fan club ready, down to the exclusive "Henry Potty" toothpick holders, although none of his fans exist yet. Unapproved, unendorsed, unofficial, and unstoppable: an award-winning parody for all the Harry Potter fans.
