Introducing Social Stratification: The Causes and Consequences of Inequality By Kasturi DasGupta

Does everyone in the US have an equal chance to "make it"? What explains the enduring power of racism and sexism? How does our sociopolitical system generate inequality? These are just a few of the questions explored in this accessible introduction to the complex problem of social stratification. Kasturi DasGupta clearly explains the social and economic mechanisms that serve to preserve and even deepen social stratification in the US. Enriched with case studies and examples throughout, her text is carefully designed both to engage students and to help them see past cultural myths to grasp the underpinnings and consequences of social inequality.

Editorial Review

Review

This fine book is at the same time comprehensive, incisive, and readily understandable ... a rare combination. --G. William Domhoff, University of California, Santa Cruz

A superb introduction to social inequality and its influence on life chances. --Stacye Blount, Fayetteville State University

Not just another strat textbook. DasGupta's book hits all three marks: factually comprehensive, theoretically integrated, and written in a very accessible style. --Alan Spector, Purdue University Calumet

About the Author

Kasturi DasGupta is professor of sociology at Georgian Court University.

Users Review

From reader reviews:

Walter Miller:
