One Hundred Years of Solitude (Critical Insights) By Ilan Stavans

Collected here are some the novel's best critics to introduce high school students and undergraduates to one of Latin America's most famous novels. Introductory essays consider the novel's massive scope and celebrate Garcia Marquez's heightened appreciation for the strange and marvelous in reality. New essays provide a valuable introduction to the work as well as a discussion of the political, social and literary contexts. Natural and human-made disasters are the focus of one group of essays, while another group discusses translation, both literal and metaphoric.

Users Review

From reader reviews:

Sylvester Wedding:

What do you concerning book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everybody has many questions above. They need to answer that question because just their can do which. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need this particular One Hundred Years of Solitude (Critical Insights) to read.

Sheila Cyr:

As people who live in typically the modest era should be update about what going on or details even knowledge to make these keep up with the era that is certainly always change and advance. Some of you maybe may update themselves by reading through books. It is a good choice in your case but the problems coming to you is you don't know what one you should start with. This One Hundred Years of Solitude (Critical Insights) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Johanna Bassett:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside former life are challenging to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take One Hundred Years of Solitude (Critical Insights) as the daily resource information.

Rose Duprey:

Playing with family in the park, coming to see the marine world or hanging out with close friends is thing that usually you will have done when you have spare time, then why you don't try thing that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love One Hundred Years of Solitude (Critical Insights), you could enjoy both. It is good combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout folks. What? Still don't buy it, oh come on its known as reading friends.
