Strategies for Community Policing By Elizabeth M. Watson, Alfred Stone, Stuart M. DeLuca

Presents a comprehensive, real-world guide to implementing community policing, particularly in medium-sized and larger municipal police departments. It provides an in-depth understanding of the concept of community and its relationship to policing practices. The book traces the evolution of American law enforcement up to the development of community policing. Presenting the steps required to transform a traditional police agency into a community policing organization, it also provides differing means of implementing community policing; short-term tactics and long-term strategy. And, it discusses the implications of community policing for all areas of law enforcement. An essential reference for police and municipal officials who are considering or have begun implementing a community policing program. Also valuable for anyone who wishes a greater understanding of community policing.

Editorial Review

From the Back Cover

Strategies for Community Policing is a comprehensive treatment of the procedures involved in transforming a conventional, traditionally-organized municipal police department into a community policing agency. With thorough attention to both the theoretical and practical aspects of the subject, co-authors Elizabeth M. Watson, Alfred R. Stone, and Stuart M. DeLuca describe the steps from the initial development of a community policing concept to the evaluation of ongoing community policing implementations.
