The Communist Manifesto in Plain and Simple English (A Modern Translation and the Original Version) By Karl Marx, Friedrich Engels

Communism is evil, right? Not exactly. The ideas behind communism were revolutionary and ahead of it's time--but reading old and tired translations of the manifesto make it hard to shed light on its ideas. Let BookCaps help with this fresh and modern translation of one of the most banned documents ever written!

The original text is also presented in the book, along with a comparable version of both text.
