Twilight of the Vuvuzelas (MADAM AND EVE) By Stephen Francis

Several strips of South Africa's most popular comic, *Madam & Eve*, are collected in this satirical compendium. It follows the motley crew of Madam, Eve, Thandi, and Mother Anderson—who are like old friends to most South Africans—as they dash about in their dysfunctional, chaotic, and totally recognizable South African household. Important political and world events are experienced by the characters, providing a current South African perspective with humor.
