Editorial Review

Review

"The community development field, now well over a half-century in the making, still harbors a lively and necessary conversation about the nature of the discipline. Phillips and Pittman have added to that conversation with their bipartite collection." - *Bernie Jones, Community Development*

About the Author

Rhonda Phillips is Professor and Director of the School of Community Resources and Development, Arizona State University. Her research and practice speciality has focused on community well-being including work with community indicator systems and economic development planning. She is the Editor of *Community Development: Journal of the Community Development Society*.

Robert Pittman is the Executive Director of the Community Development Institute and the Strategic Growth Institute at the University of Central Arkansas, where he also serves as Professor in the College of Business. He has provided consulting services to community and economic development organizations and major corporations in the U.S. and around the world.

Users Review

From reader reviews:

Davis Miller:

This An Introduction to Community Development are usually reliable for you who want to be a successful person, why. The reason of this An Introduction to Community Development can be on the list of great books you must have is giving you more than just simple reading through food but feed anyone with information that probably will shock your previous knowledge.
