Anthony Giddens: An Introduction to a Social Theorist By Lars Bo Kaspersen

Anthony Giddens is one of the world's most prominent and prolific sociologists, and yet he is also a difficult study for the beginning student of sociology. This is the first introduction to the work of Giddens, including the major part of his sociological and social theoretical project. The author traces Giddens' development from the late sixties to the nineties in a straightforward, readable style, covering all parts of Giddens's sociology in a well-arranged summary. Also featured is a lengthy interview with Giddens by the author, and the most comprehensive Giddens bibliography to date.

Editorial Review

Review

"An outstanding and readable introduction to the work of the UK's leading contemporary sociologist."
William Outhwaite, University of Sussex

"Kaspersen brings a sophisticated understanding of Giddens's entire agenda to this truly accessible text. Newcomers will welcome the reliable consolidations of Giddens's central themes. Advanced theorists will appreciate Kaspersen's trenchant criticisms and his extensive coverage of new developments in Giddens's political thought." *Ira J. Cohen, Rutgers University*

Language Notes

Text: English (translation)

Original Language: Danish

From the Back Cover

Anthony Giddens is one of the world's most prominent and prolific sociologists, and yet his ideas often prove difficult for the beginning student of sociology. This is the first introduction to the work of Giddens, including the major part of his sociological and social theoretical project.

The first six chapters are built up chronologically, each standing alone as an exegesis of one aspect of Giddens's theories. Chapter seven features a lengthy one-on-one interview with Giddens by the author, in which Giddens analyzes and interprets the contemporary world through his own specialized viewpoint. Chapter eight is the first and only critical overview in the book, as the author discusses traditional responses to Giddens's work. Finally, the book contains the most complete and up-to-date Giddens bibliography ever compiled.

This introductory text presents Giddens to the sociology and political science community in the most accessible form to date.

Users Review

From reader reviews:

James Lapham:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their free time with their family, or their very own friends. Usually they doing activity like watching television, going to beach, or picnic within the park. They actually doing same task every week. Do you feel it?
