Bite-Sized Magic (Bliss Bakery Trilogy) By Kathryn Littlewood

This third book in Kathryn Littlewood's acclaimed Bliss trilogy mixes the down-home heart punch of Ingrid Law's Newbery Honor Book, *Savvy*, the always-on-the-edge-of-chaos comedy of *Cheaper by the Dozen*, and a humorous magic all its own to create a thoroughly original confection, a delicious guilty pleasure for readers of all ages.

Rose won back her family's magical *Cookery Booke* in an international baking competition in *A Dash of Magic*, the second novel in the series. Rose is now world famous—so famous, in fact, that Mr. Butter, head of the Mostess Corporation, has kidnapped her so that she can develop new-and-improved magical recipes for his company's snack cakes. With the magically enhanced Dinkies and Moony Pies, Mr. Butter plans to take over the world.

Together with her brothers, their talking cat and mouse, and an unlikely team of bakers, Rose must overthrow Mr. Butter before he destroys civilization, one magically evil snack cake at a time.

Editorial Review

From School Library Journal

Gr 4–6—Rosemary Bliss thought it was bad enough that her family's magical bakery had been forced to close but now she's been kidnapped. Taken to the Mostess Corporation compound (the biggest industrial bakery in the country), she must perfect five recipes for the owner, Mr. Butter, if she ever wants to see her family again. Rose soon finds out that the recipes contain evil magic that makes people crave more and more of Mostess's mediocre creations, with dangerous consequences. Scared about losing her family, Rose dutifully creates the recipes for Glo-Balls, Mooney Pyes, Dinky Doodle Donuts, King Things, and The Dinky, all the while secretly creating antidotes for the vile effects they cause. With the help of her talking cat, the chefs under her control in the Mostess kitchen, and her less-than-serious brothers, Rose attempts to disrupt the nefarious plot of Mr. Butter and the International Society of the Rolling Pin to take over the world through mass-produced baked goods. Though, predictably, good magic triumphs over evil, it is not clear until the very end that Rose's plan will succeed. Sure to entice aspiring chefs as well as lovers of sweets and stirring adventures, readers should start with the first book in the series to get the true flavor of the characters, while those who have already taken a bite will enjoy another delightful treat in this third installment. Like a good cup of hot chocolate, this book will leave readers satisfied, but with the hope of another cup soon.—Clare A. Dombrowski, Amesbury Public Library, MA

From [Booklist](#)

Two books on and Rosemary is still cleaning up the mess created in Bliss (2012). Just weeks before her thirteenth birthday, she is kidnapped by representatives of the Mostess Corporation. Aunt Lily, who vanished after losing the Gala des Gâteaux Grands, had been working with them to create recipes for mass-produced cakes and cookies, and now they want Rosemary to finish the job so they can take over the world with their magically enhanced pastries. There is a certain amount of predictability at play as clever Rosemary, with help from her impulsive brothers and a talking cat, outsmarts villains who are not so much evil as cartoonishly nefarious. But fans of the series won't mind, since the book follows a winning recipe: a well-meaning heroine and lots of cake. Grades 4-7. --Kara Dean

Review

“Sure to entice aspiring chefs as well as lovers of sweets and stirring adventures...Like a good cup of hot chocolate, this book will leave readers satisfied.” (School Library Journal)

“The book follows a winning recipe: a well-meaning heroine and lots of cake.” (ALA Booklist)

Praise for BLISS: “A heroine with baking in her blood and a zany plot liberally sprinkled with humor blend into fun family adventure. Lighthearted bliss.” (Kirkus Reviews)

Praise for BLISS: “Quite delicious and very funny.” (Wall Street Journal)

Praise for A DASH OF MAGIC: “Readers will savor this latest Bliss family adventure...Fantastic fantastical fare.” (Kirkus Reviews)

Users Review

From reader reviews:

Thersa Moss:

The benefit you obtain by reading this book is information inside this e-book incredible fresh, you will get data which is getting deeper you read a lot of information you will get. This particular Bite-Sized Magic (Bliss Bakery Trilogy) without we realize teach the one who reading it become critical in imagining and analyzing. Don't be worry Bite-Sized Magic (Bliss Bakery Trilogy) can bring if you are and not make your case space or bookshelves' turn into full because you can have it in your lovely laptop even cell phone. This Bite-Sized Magic (Bliss Bakery Trilogy) having great arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Carolyn Hoffman:

As people who live in the modest era should be change about what going on or data even knowledge to make all of them keep up with the era and that is always change and make progress. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to you is you don't know which you should start with. This Bite-Sized Magic (Bliss Bakery Trilogy) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Enoch Dutton:

Reading a reserve tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or even their experience. Not only situation that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Bite-Sized Magic (Bliss Bakery Trilogy).

Julio Rico:

Do you really one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Try to pick one book that you find out the inside because don't assess book by its include may doesn't work the following is difficult job because you are frightened that the inside maybe not while fantastic as in the outside appearance likes. Maybe you answer may be Bite-Sized Magic (Bliss Bakery Trilogy) why because the wonderful cover that make you consider concerning the content will not disappoint you actually. The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly show you to pick up this book.
