From Ritual to Record: The Nature of Modern Sports By Allen Guttman

Originally published in 1978, *From Ritual to Record* was one of the first books to recognize the importance of sports as a lens on the fundamental structure of societies. In this reissue, Guttman emphasizes the many ways that modern sports, dramatically different from the sports of previous eras, have profoundly shaped contemporary life.

Editorial Review

Review

A pioneering work in a field remarkably little touched... For any future writer about the philosophy or the sociology of sport in general, this book will be required reading.

(Julian Symons *Times Literary Supplement*)

The chief advantage that Guttmann has over other sports theoreticians is a willingness to employ the techniques of modern rhetoric in creating some order out of the ideological confusion now swirling around his subject. He is a definer, a synthesizer, a causal analyst, as well as an arguer and a counter-arguer.

(*Virginia Quarterly*)

[Guttmann's] lucid, original, stimulating, blessedly jargon-free book does something to lighten our darkness. His pleasant, incisive style reflects a mind uncluttered by prejudice or ideology.

(Brian Glanville *London Sunday Times*)

Review

[Guttmann is] our most distinguished contemporary thinker on the nature and role of sport in society.

(A. Bartlett Giamatti, late commissioner of baseball)

The most accomplished analyst and critic of sport of our age.

(Richard D. Mandell, author of *Sport: A Cultural History*)

About the Author

Allen Guttmann is professor of American studies at Amherst College. His many books include *The Olympics: A History of the Modern Games*, *Games and Empires: Modern Sports and Cultural Imperialism* (Columbia), and a translation of Peter Kühnst's *Sports: A Cultural History in the Mirror of Art*. He lives in Leverett, Massachusetts.

Users Review

From reader reviews:

Joseph Owens:

What do you in relation to book? It is not important together with you? Or just adding material when you

want something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They have to answer that question due to the fact just their can do this. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need that From Ritual to Record: The Nature of Modern Sports to read.

Joseph Lewis:

In this 21st one hundred year, people become competitive in most way. By being competitive today, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Sure, by reading a reserve your ability to survive enhance then having chance to stand up than other is high.
