Sound Bender #2: The Shadow Mask By Lin Oliver, Theo Baker

Leo Lomax, the Sound Bender, returns in this globe-trotting sequel.

Leo is back in New York, and things are worse than ever. His Uncle Crane has isolated him from his friends, pulled him from his school, and is keeping him under near-constant surveillance.

When a strange mask once owned by his father begins to draw Crane's attention, however, Leo is presented with a devil's bargain. If he helps Crane find the mask's other half, he can return to his life and his friends. To sweeten the deal, Crane will even pay for a fact-finding mission to check out Leo's parents' plane crash.

There's just one catch. In order to find the mask, Leo will have to travel across the world -- and take it from its rightful owners.

Editorial Review

From [Booklist](#)

In this follow-up to *Sound Bender* (2011), evidence that his parents may still be alive prompts Leo Lomax to strike a devil's bargain with his guardian, a slimy antiquities dealer. Using his psychic ability to hear artifacts, Leo reluctantly leads an expedition into Borneo in search of the long-lost half of a valuable, ancient mask. Bullies, grave robbers, peer and family conflicts, jungle adventures, tantalizing hints of both espionage and a mythical lost civilization, and more overstuff this patchy sequel but leave plenty of unresolved plotlines for future episodes. Grades 5-8. --John Peters
