Childhood Speech, Language, and Listening Problems By Patricia McAleer Hamaguchi

The essential, up-to-date guide for helping children with language and listening problems

Does your child have trouble getting the right words out, following directions, or being understood? In this revised new edition of *Childhood Speech, Language, and Listening Problems*, speech-language pathologist Patricia Hamaguchi—who has been helping children overcome problems like these for more than thirty years—answers your questions to help you determine what's best for your child. This newest edition: *

Expands on speech and articulation issues affecting toddlers *

Includes a new chapter on socially "quirky" children

- Explains how to get the right help for your child, including when to wait before seeking help, how to find the right specialist, and how the problem may affect your child academically, socially, and at home
- Covers major revisions in educational laws and programs and insurance coverage as well as current information on new interventions and cutting-edge research in the field
- Updates information on autism spectrum disorders, neurobiological disorders, and auditory processing disorders
- "Provides valuable information for parents of children with speech, language, and listening problems."—Sandra C. Holley, Ph.D., Former President, American Speech-Language-Hearing Association (on the *Second Edition*)

More than 1.1 million children receive special education services each year to address speech and language problems, and many others struggle with language and listening to some degree. If your child is one of them, this book gives you the crucial and up-to-date guidance you need to help him or her both in school and at home.

Editorial Review

From the Back Cover

The essential resource for parents—revised and updated

Does your child have trouble learning to talk, putting sentences together, following directions, or being understood? Is explaining and describing a challenge? In this revised edition of *Childhood Speech, Language, and Listening Problems*, speech-language pathologist Patricia Hamaguchi—who has been helping children overcome problems like these for nearly thirty years—answers your questions to help you determine what's best for your child. It includes the following:

- A complete description of all major communication disorders: what to look for, how therapy would be carried out, and what you can do at home to help
- Help with navigating the evaluation process, understanding report jargon, and acclimating to special education
- Updated details about new interventions and cutting-edge research in the field
- Expanded information about autism spectrum disorders, neurobiological disorders, and auditory processing disorders
- A new chapter on social language skills, play concerns, and quirky behaviors

"Provides valuable information for parents of children with speech, language, and listening problems."
—**Sandra C. Holley**, Ph.D., Former President, American Speech-Language-Hearing Association

About the Author

PATRICIA McALEER HAMAGUCHI, M.A., CCC-SLP, holds a master's degree in speech-language pathology and is certified by the American Speech-Language-Hearing Association. She has been a practicing speech-language pathologist for nearly thirty years and has written several books on related topics. She has a private practice in Cupertino, California, and resides nearby with her husband and two children.

Users Review

From reader reviews:

Maria Macdonald:

With other case, little individuals like to read book Childhood Speech, Language, and Listening Problems. You can choose the best book if you love reading a book. Provided that we know about how is important a book Childhood Speech, Language, and Listening Problems. You can add know-how and of course you can around the world by way of a book. Absolutely right, because from book you can know everything! From your country till foreign or abroad you can be known. About simple thing until wonderful thing it is possible to know that. In this era, we could open a book or maybe searching by internet system. It is called e-book. You need to use it when you feel weary to go to the library. Let's learn.

Daniel Hendrix:

People live in this new morning of lifestyle always aim to and must have the free time or they will get lot of stress from both day to day life and work. So , once we ask do people have time, we will say absolutely without a doubt. People is human not really a robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative throughout spending your spare time, the actual book you have read is Childhood Speech, Language, and Listening Problems.

Benjamin King:

Many people spending their time frame by playing outside using friends, fun activity with family or just watching TV all day every day. You can have new activity to spend your whole day by studying a book. Ugh, do you consider reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smart phone. Like Childhood Speech, Language, and Listening Problems which is getting the e-book version. So , try out this book? Let's view.

Tom Baptist:

What is your hobby? Have you heard that will question when you got college students? We believe that that query was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person including reading or as reading become their hobby. You should know that reading is very important and book as to be the factor. Book is important thing to include you knowledge, except your current teacher or lecturer. You see good news or update about something by book. Many kinds of books that can you go onto be your object. One of them is this Childhood Speech, Language, and Listening Problems.
