Exploring Geography in a Changing World (Key Stage) By Simon Ross

Exploring Geography in a Changing World is a new Key Stage 3 series designed to present real-life geography to motivate and stimulate pupils. With challenging content, engaging practical activities and an emphasis on 'thinking skills' pupils can achieve a solid foundation of knowledge and skills for progression to GCSE. Book 3 addresses global issues such as population distribution, the contrast between rich and poor societies and environmental concerns. Opportunities for fieldwork are provided throughout the course, and pupils relate the content to the real world through the Issues activities at the end of each chapter.
