Editorial Review

Review

In what promises to be a very exciting series, noted lifestyle presenter Joseph W. Bean has been enlisted to launch a series of instructional DVD/Book combinations that will provide safe and easy to follow instructions in BDSM play.

When I recieved the book and DVD (if it is not clear this is a Book and DVD SET) I instant put in the DVD and sat down expecting a very dry tutorial; This was so far from the reality though. J.W. Bean is definately entertaining while getting across crusial information and safety tips.

The book is a quick read but is really an over view of the DVD, which is nice to have, but do not just look at one or the other. However, I strongly suggest reviewing both the book and DVD.

About the Author

Joseph W. Bean has been hanging around radical sex for a very long time, and he has a habit of writing about everything he hangs around, sex included.
