By David Hoffmeister

Purpose is the Only Choice By David Hoffmeister

This little book is a constant companion, a tool for returning to Peace that is invaluable! *Purpose Is the Only Choice* is a conversation between David Hoffmeister and some of the students that gathered around him in the 1990's, put in pocket format. It reveals the one and only choice that we can ever truly make in this world, and how simple life can be when that choice is understood.

The style of inquiry that David uses in this discussion is an example of the way in which we can come to an experience of peace-through an uncompromising look at false beliefs. He delves into the mind in a gentle, yet firm, pursuit of truth. A *Course in Miracles* says "The test of everything on earth is simply this; 'What is it for?'. The answer makes it what it is for you."

Editorial Review

About the Author

David Hoffmeister is a modern-day mystic who has been invited to over thirty countries and forty-nine states to share the message of Love, Oneness and Freedom. He has touched the lives of thousands with his consistently peaceful state of mind, radiant joy and dedication to Truth. His journey involved the study of many pathways culminating in a deeply committed practical application of A Course in Miracles.

Through countless miracles David came to the realization that he could "step back and let Him lead the way." W-155 Divine Providence is a practical reality for all; it is the acceptance of complete dependence on God and surrender to trust in the Holy Spirit's plan.

"Nothing you need will be denied you. Not one seeming difficulty but will melt away before you reach it. You need take thought for nothing, careless of everything except the only purpose that you would fulfill." T-20.IV.8

With David's withdrawal from investment in the world of stories came the willingness to look instead at the intensity in the mind that produces them. Students began to appear, to engage with David in dialogues of clarity and insight such as this one.

The Mystical Experience ends the world of duality and conflict forever and is one of clarity, great joy, deep peace and tranquility. The Experience is not of this world, but radiates from within. It is not a concept; it comes into awareness when all concepts have been laid by. Forgiveness is the last concept. "To have, give all to all." T-6.V.A.5
