Editorial Review

Review

"A how-to guide on fixing our national crisis. ... A damning critique not only of the Obama administration but also the half of the population that put him in office and still supports his devastating policies."
(Washington Times)

From the Back Cover

This one book can stop Obama's tyranny. The USA or the USSA? The United States of America or the Union of Socialist States of America? That is the question.

Now that he has seized a second-term, will President Obama transform the greatest engine of freedom the world has ever known into a Stalin-like dictatorship? Or can the American people finally expose and rid themselves of this regime? Obama is transforming us into a second-class nation, with communists and Islamists given free rein to expand their power.

As Obama accrues power with little opposition and his oppression creeps down from the top, the American people must stop the tyranny!
