Understanding the Victorians: Politics, Culture and Society in Nineteenth-Century Britain By Susie L. Steinbach

The Victorian era was a time of dramatic change. During this period Britain ruled the largest empire on earth, witnessed the expansion of democracy, and developed universal education and mass print culture. Both its imperial might and the fact that it had industrialised and urbanised decades before any other nation, allowed it to dominate world politics and culture in many ways for the better part of the nineteenth century.

Understanding the Victorians paints a vivid portrait of the era, combining broad survey with close analysis, and introduces students to the critical debates taking place among historians today. It encompasses all of Great Britain and Ireland over the whole of the Victorian period, giving prominence to social and cultural topics alongside politics and economics and emphasising class, gender, and racial and imperial positioning as constitutive of human relations. Starting with the Queen Caroline Affair in 1820 and coming right up to the start of World War I in 1914, Susie L. Steinbach uses thematic chapters to discuss and evaluate politics, imperialism, the economy, class, gender, the monarchy, arts and entertainment, religion, sexuality, religion, and science. Steinbach also provides three much-needed chapters on topics rarely covered at this introductory level on space, consumption, and the law.

With a clear introduction outlining the key themes of the period, a detailed timeline, and suggestions for further reading, this is the ideal companion for all students of the nineteenth century.

Editorial Review

Review

"A big fresco of the Victorian years, Susie Steinbach's volume depicts the culture, the lifestyles, as well as the social and political interactions that characterised an era when Great Britain was the most powerful nation in the world." - *Ricerche di Storia Politica*

"*Understanding the Victorian* by Susie L. Steinbach...fills in the blanks of standard texts by looking at the period (ca. 1820-1914) topically with chapters on living space, consumption, class, gender, arts and entertainment, sexuality, religion, and science...I can wholeheartedly recommend *Understanding the Victorians* as required reading for students and a useful read for their instructors or for anyone interested in the period." – *Barbara Brandon Schnorrenberg, Anglican and Episcopal History*

About the Author

Susie L. Steinbach teaches at Hamline University. She is the author of *Women in England 1760-1914: A Social History* and has written widely on Victorian history, with a particular emphasis on gender and the law.

Users Review

From reader reviews:

Elizabeth Parker:

Exactly why? Because this *Understanding the Victorians: Politics, Culture and Society in Nineteenth-Century Britain* is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your skill and your critical thinking approach. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Tyrone Knudson:

Your reading 6th sense will not betray an individual, why because this *Understanding the Victorians: Politics, Culture and Society in Nineteenth-Century Britain* e-book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your hunger then you still skepticism *Understanding the Victorians: Politics, Culture and Society in Nineteenth-Century Britain* as good book not only by the cover but also by the content. This is one book that can break don't determine book by its include, so do you still needing an additional sixth sense to pick this specific!? Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

William Meadows:

Are you kind of stressful person, only have 10 or maybe 15 minute in your moment to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short period of time to read it because pretty much everything time you only find guide that need more time to be examine. Understanding the Victorians: Politics, Culture and Society in Nineteenth-Century Britain can be your answer as it can be read by you actually who have those short spare time problems.

Cassandra Sanderson:

Do you like reading a book? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many question for the book?
