Heir to the Empire (Star Wars: The Thrawn Trilogy, Vol. 1) By Timothy Zahn

It's five years after the Rebel Alliance destroyed the Death Star, defeated Darth Vader and the Emperor, and drove the remnants of the old Imperial Starfleet to a distant corner of the galaxy. Princess Leia and Han Solo are married and expecting Jedi twins. And Luke Skywalker has become the first in a long-awaited line of Jedi Knights.

But thousands of light-years away, the last of the Emperor's warlords, Grand Admiral Thrawn, has taken command of the shattered Imperial fleet, readied it for war, and pointed it at the fragile heart of the New Republic. For this dark warrior has made two vital discoveries that could destroy everything the courageous men and women of the Rebel Alliance fought so hard to build.

Editorial Review

From School Library Journal

YA-- This first book in a trilogy takes place five years after *Return of the Jedi* (Ballantine, 1983) by James Kahn. Han and Leia are now married and expecting twins; Luke is continuing his training as a Jedi, while training Leia. The Republic is at peace, having defeated Darth Vader and the evil Empire. Enter Grand Admiral Thrawn, ex-warlord of the empire, with his rogue Jedi knight. They attack the Republic and attempt to kidnap Luke Skywalker and Princess Leia for their own nefarious purposes. It's great fun to romp with the "Star Wars" cast of humans, droids, and aliens again. While it is not on a par with Zahn's creative, powerful works such as *Cascade Point* (Baen, 1987), *Heir* is well written for what it is. Recommended for YA collections needing a Star Wars fix. --John Lawson, Fairfax County Public Library, VA2-

From the Publisher

It's five years after *Return Of The Jedi* : the Rebel Alliance has destroyed the Death Star, defeated Darth Vader and the Emperor, and driven out the remnants of the old Imperial Starfleet to a distant corner of the galaxy. Princess Leia and Han Solo are married and expecting Jedi Twins. And Luke Skywalker has become the first in a long-awaited line of Jedi Knights. But thousand of light-years away, the last of the emperor's warlords has taken command of the shattered Imperial Fleet, readied it for war, and pointed it at the fragile heart of the new Republic. For this dark warrior has made two vital discoveries that could destroy everything the courageous men and women of the Rebel Alliance fought so hard to build. The explosive confrontation that results is a towering epic of action, invention, mystery, and spectacle on a galactic scale -- in short, a story worthy of the name *Star Wars*. ®, (TM) and © 1995 Lucasfilm Ltd.
