Linger By Maya Banks

Love can help broken spirits soar again...

Songbird

Years ago, Greer and Taggart meant everything to Emily. Their cavalier rejection sent her into the arms of their youngest brother. Her angelic voice launches her to stardom—until tragedy shocks her into silence.

Grieving for their brother, Taggart and Greer take Emily back to Montana, determined to help her heal and find her voice again. Under the protective shield of their love, she begins to blossom. Then an old threat resurfaces. Now the men who love her face a fight for what they once threw away.

Stay With Me

Catherine hopes her announcement to the two men in her life—she's pregnant—will be the perfect start to the vacation they promised her: two weeks on a Jamaican beach. No cell phones, no emails, no business. But when they blow her off for yet another “business emergency”, she packs her bags for her long-awaited vacation—alone.

When Logan and Rhys come home to an empty house, they realize two things: One, it was a mistake to take Catherine for granted. Two, they're not willing to just let her walk out of their lives. Getting her back will be the toughest deal they've ever negotiated.

Warning: Linger contains lots of knot-in-the-throat emotional scenes, hot loving, ménage a trois, multiple partners, adult language and situations and committed polyamorous relationships.

Editorial Review

Review

- "Maya Banks' writing has always evoked an emotional response for me and SONGBIRD definitely had me hanging on to each and every word anxious to find out what happens between these memorable characters." Romance Junkies
- "Stay with Me is a spectacular ménage. I love how the triad was already established at the beginning of the book, and readers are taken on a journey of the inner dealings and things that have to happen to make a relationship like this work. Consider Stay with Me joyfully recommended, because it made me laugh, cry, and blush. I loved it." Joyfully Reviewed
- "Stay With Me is the best all around book I've read, with the sex steamy and the emotion deep. It has all the aspects I love about romance. Ms. Banks engages your mind, heart and body; definitely not a book to be missed." Fallen Angel Reviews
