Marco Polo's Silk Road: The Art of the Journey - An Italian at the Court of Kublai Khan (The Art of Wisdom) From Watkins

In the late 1290s, an imprisoned Venetian merchant dictated an account of his amazing adventures in China. That book, *The Travels of Marco Polo*, was an instant success. Though scholars once derided Polo's tale, today's historians accept it as accurate. The original manuscripts are long lost, but now, for the first time, a modernized hybrid edition has been compiled from translations by William Marsden and Henry Yule. Comprising nearly 150 chapters, this superbly illustrated, silk-bound abridgement of this seminal work is a treasure worthy of its subject.

Editorial Review

About the Author

Marco Polo (c.1254-1324) was a Christian merchant from the Venetian Republic who learned about trading while his father and uncle were absent on an extended journey through Asia, which culminated in a visit with the great khan Kublai. In 1269 the brothers returned to Venice and met Marco for the first time. The three of them then embarked on a new journey to Asia and the court of the khan, returning after more than two decades to find Venice at war. Marco was imprisoned in Genoa, whereupon he dictated his romantic-sounding stories to a cellmate. The popularity of his account is a rare example of a success in publishing before the age of printing.
